UPDATED PROCEDURES FOR FALL CLASSES:

Fall Classes:

The majority of classes are Online, Zoom, or Directed study:

For a student entering the building the following procedure will apply:

- I. Persons who are sick should remain home.
- II. Persons entering the building must have their temperature checked if it's 100.4 F, or greater will not be allowed to enter the building.
- III. Persons entering the building, must sanitize their hands and wear a mask each time they enter the building and must remain masked if they are within 6 feet of another person.
- IV. Students will exit the building immediately following their class through the closest exit.
- V. Classrooms will be sanitized after each use.
- VI. All classrooms will be configured to promote social distancing.
- VII. The Student Lounge will be temporarily closed (vending machine access is available).
- VIII. Restrooms will be sanitized daily; however, Clorox wipes will be provided in restrooms for personal use.
- IX. If a student or staff person, test positive for covid19, CDC guidelines will be followed
- X. Visitors will not be allowed in the building without permission, which includes the children of students (visit requests can be made by calling the Admin office, at 256 4697536).
